Having a few
old coins, would like
to know, if you have
any call for them,
one cent dated, 1794.
1804-1823-1846- and a
few others, what would you
give for them?
Answer soon, as I was

referred to you, by a
party, and I also have
submitted them to another
person's inspection.

Yours &c
J. M. K. Kertland.
